**Summer is messy,
Summer is fun,
Trips to the beach,
In the hot, hot Sun,
Let's give summer,
A big fat cheer!
Summer is the best time of the year.**

Dear Parents

Holidays are the best time when you can connect with your child in many ways. You can encourage your child's love of learning by participating in different activities at home. Working together will bring confidence, learn to reason and develop skills necessary for his/her education. Kindly encourage the kids to :-

- * Utilize the time smartly
- * Study well
- * Read books
- * Help parents in household
- * Engage in a hobby
- * Play outdoor games

GENERAL INSTRUCTIONS TO BE FOLLOWED WHILE DOING HOLIDAY HOMEWORK:

1. Take a printout of the holiday homework (worksheet, if any). However, some worksheets for various subjects have been given already in class. Printout of the same can be taken, if needed.
2. Holiday homework should be done as per the instructions given (on A-4, A-3 size sheets or chart, notebook or file).
3. All sheets should be put together (tied/stapled) and handed over to the respective subject teachers on the first day of rejoining after break.

4. Subject-wise folder can also be made for the submission of holiday homework. It should be labelled properly indicating clearly the name, class, roll no. and subject.

5. Homework will be assessed for the neat handwriting, presentation, creativity and submission of the work on time.

6. Parents can be facilitator at home. However, the work should be done independently by the child in his/her own handwriting.
