VISION & MISSION

Our vision is to provide the students ample opportunities to help them become well-groomed personalities exhibiting courage, compassion and confidence to face an ever-changing, highly demanding and multicultural world. We aspire to create compassionate beings who will be the torchbearers of a harmonious world.

Our mission is to provide value based quality education to our children. We strive towards letting our children stand tall in the contemporary world rooted in the glorious history and traditions of our great nation.

1. Each subject of every class is monitored by I/C Blocks.
2. Curriculum plan is conveyed to the parents and students through academic calendar and syllabus distribution.
3. Students are encouraged to participate regularly in prestigious exams like SOF & Olympiads of DAVCAE etc time to time.
4. Exams are conducted at Zonal level. Common datesheet & common questions papers are followed in all DAV Schools of HR Zone E. So that, students are well prepared in advance for Board pattern of exams.
5. Subject teachers are trained from time to time by DAVCAE through workshops.
6. Feedback after every test/exam is conveyed to the parents through PTMs.
7. Excellent results are the outcomes of strong academic plan throughout.

Continuous valuable co-operation and kind support of the Parents is solicited during the time ahead too.
