Dear Parents,
Greetings!!

"Every new month brings new hopes, new learning and new opportunities to shine."

As the pleasant month of November begins, let us welcome new opportunities to learn, grow and do our best. The festivals of this month remind us to spread happiness, share with others and keep our hearts full of kindness. Your support and cooperation help us guide our children towards a bright future.

NURTURING YOUNG MINDS

Children learn better when school and home work together. Let us help them become confident, caring and responsible.

* Encourage children to read every day and ask questions.

* Teach them to be kind, honest and respectful.

* Appreciate their efforts and encourage them to keep trying.
